## **ADA AIDE GUIDELINES**

- All aides are put through the Raptor system on every visit
- All aides sign the GPY waiver annually
- Aides cannot leave accommodated person unattended
- Aides should not work out at the GPY alongside the accommodated person
- All ED's at each branch are the ADA compliance Officer of their branch. Every person requesting accommodation must meet with the ED to complete the ADA packet. This needs to be done with the accommodated persons guardian, not their aide.

I understand and am aware that strength, flexibility and any type of aerobic exercise including the use of equipment, is a potentially hazardous activity. I also understand that fitness activities involve a risk of injury and even death and that I am voluntarily participating in these activities and using equipment and machinery with knowledge of the dangers involved. I hereby agree to expressly assume and accept any and all risks of injury or death.

I do hereby further declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity or other illness that would prevent my participation in any of the activities and programs of the Greater Philadelphia YMCA or use of equipment or machinery except, as hereinafter stated. I do hereby acknowledge that I have been informed of the need for a physician's approval for my participation in any exercise/fitness activity or in the use of exercise equipment and machinery. I also acknowledge that it has been that I have a yearly or more frequent physical examination and consultation with my physician as to physical activity, exercise, and use of exercise and training equipment so that I might have recommendations concerning these fitness activities and equipment use. I acknowledge that I have either had a physical examination and have been given my physician's permission to participate or that I have decided to participate in activity and/or use of equipment and machinery without the approval of my physician and do hereby assume all responsibility for my participation and activities, and utilization of equipment and machinery in my activities.

It is the responsibility of every individual, their parent or legal guardian to provide for their own accident and health coverage while participating in all YMCA activities. The YMCA does not provide accident or health coverage to its participants.
