# BOOKMARKING PROGRAMS

When browsing programs you can bookmark them to easily remember all the programs you are interested in by clicking on the blue and white bookmark icon.

- View all your bookmarked programs by clicking the blue bookmark item on the right side of the screen. This opens a small window where you can keep track of everything you saved.
- Keep in mind, bookmarks do not reserve your spot in a program, this is just a feature to help keep track of programs you are interested in. You will need to register for each bookmarked program to secure a spot.
- All bookmarks will be deleted automatically after 5 days.

We look forward to seeing you  
and your family in a program at  
the Y soon!
