Enjoy Full Membership Benefits

Once you register, you'll have full access to all 15 Greater Philadelphia YMCA locations and more!

- No fees to join
- No minimum visit requirements
- Enjoy access to group exercise classes (land and water), fitness centers, pools, whirlpools, saunas, indoor/outdoor tracks, open gym time, and more — based on age eligibility. View our policies to learn more.

Please note: Jefferson Health Plan EverWell memberships are valid only within Greater Philadelphia YMCAs and do not include nationwide reciprocity.

Programs & Add-Ons

Some programs—like swim lessons, youth sports, personal training, small group training, and select outdoor pools—may require a small additional fee. Amenities and fees vary by location.

Bonus! Youth and adult members receive a **25% discount** on many fee-based programs.

Renewing Your Membership

Your membership remains active as long as you're covered by your insurance plan **and** have recent visits near your annual renewal date. If you have no recent visits during the time your membership is set to renew, but still have EverWell coverage, you will need to renew your membership when you are ready to return.

Bonus Perks!

- Download the YMCA360 app to track workouts, earn Y Rewards, join challenges, view class schedules, and more!
- Members age 18 or older receive **free** guest passes to share with friends and family.

Guest Policy Reminder: All guests must be accompanied by a current adult member (18+), show a valid photo ID, and may visit up to 3 times per calendar year. Each adult member can bring up to two guests per visit.
